

STARTING NOW: RENEW YOUR APPLE HEALTH (MEDICAID) COVERAGE

Medicaid renewals were temporarily paused during the pandemic. Starting now, Apple Health customers will need to renew their coverage.

DON'T LOSE YOUR HEALTH INSURANCE COVERAGE! TAKE THESE STEPS:

1

Update your contact information

Have you moved in the last three years?

Update your contact information online at www.wahealthplanfinder.org or call Healthplanfinder Customer Support Center at 1-855-923-4633.

Have questions? Need help?

Navigators are ready to help at the Health Care Authority's Medical Assistance Customer Service Center: Call 1-800-562-3022

2

Renew your health coverage now

Complete your renewal online at www.wahealthplanfinder.org or using the WAPlanfinder mobile app.

Or, **respond to your renewal letter** from the Washington Health Care Authority. This letter will be sent to you in the next 12 months, depending on your renewal date. You have **90 days to renew your coverage** from the time you receive this letter.

No longer qualify for Apple Health?

You may still qualify for other coverage with help to pay the premium. Complete your renewal to see if you qualify for one of these plans.
